

Western Cape Atlasing Get-together

8 August 2009

A social get together for all Western Cape atlasers is being planned for early August (just after the Chameleon Challenge) - see details below.

Besides the informal gathering and the opportunity to meet the faces behind the emails, there will also be time set aside to chat about atlasing issues. Les Underhill, Doug Harebottle and Peter Nupen will be on hand to provide feedback on current coverage updates in the Western Cape and to answer any questions that you may have concerning SABAP2.

Date: Saturday 8 August

Time: 11h00 – 15h00

Venue: Durbanville Nature Reserve, Racecourse Road, Durbanville (see map below)

RSVP: by 5 August to Peter Nupen (pnupen@iafrica.com Tel. 021 930 4244)

Programme

1. 11h00 - 13h00: Social and braai

Please provide your own meat, drinks etc. As no wood fires are allowed in the reserve, we will be using gas cookers. Some will be provided but if you can bring your own skotel or gas braaier we would appreciate it.

2. 13h00 - 15h00: Discussion and feedback session

Here we will cover inter alia:

- Feedback from the Chameleon Challenge
- A glimpse at the coming Spring Challenge
- Covering those gap areas in the province
- Recording additional information

Looking forward to seeing you there!
